

LESSON 10. WHAT'S THE
WEATHER

What's happening in this picture?

Do you think it can really happen?

Weather is the day-to-day conditions of a particular place.

For example:

- It is rainy today.
- Yesterday was a sunny day.

Picture Description

- Which words describe each picture?

Cold

Freezing

Hot

Dry

Desert

The North Pole

Do you think people can live in these places?

Match the words with the pictures

Rainy Windy Snow Cold Freezing Hot Sunny Partly Cloudy

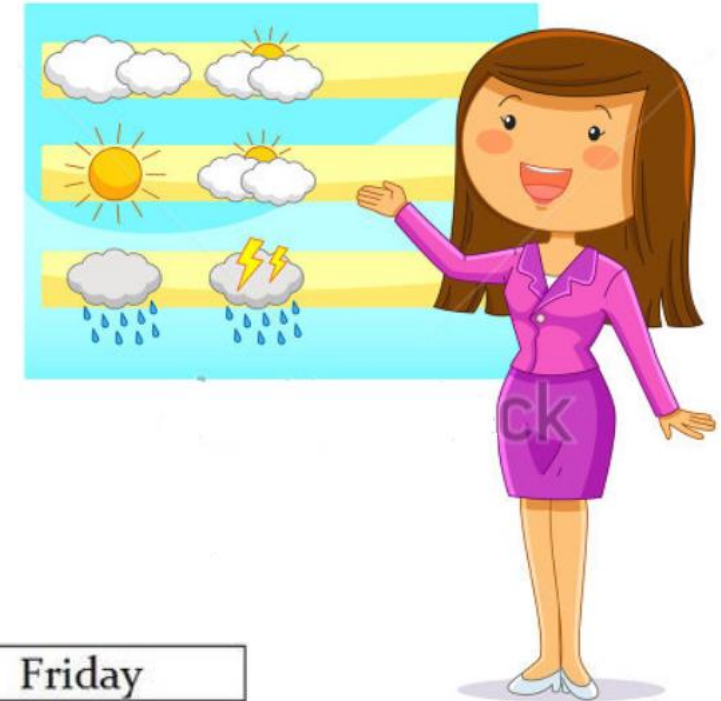

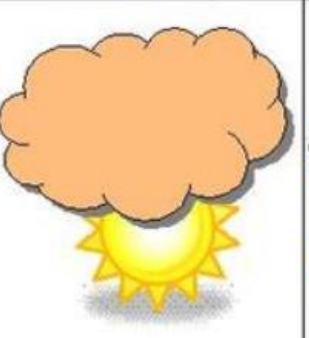

Weather Forecast

A **weather forecaster** is a person whose job is to study the weather conditions and make reports predicting what the weather will be like for the next few days.

Pretend that you are a weather forecaster and give the 5-day weather forecast.

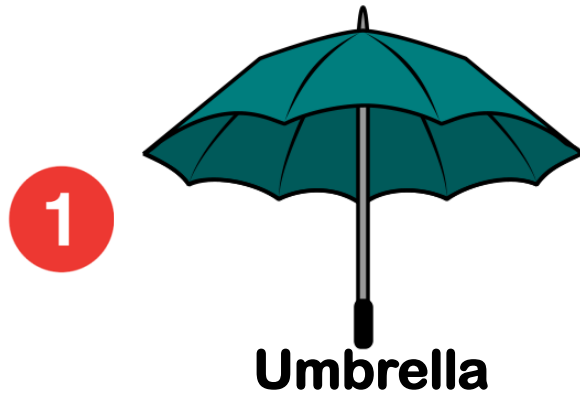

Example: On Monday, there will be thunderstorms.

Monday	Tuesday	Wednesday	Thursday	Friday
				

Activity 1

- When do we use these things?

Activity 2

■ Complete the Sentences.

1. If it rains, I'll **take an umbrella.**
2. If it's hot, I'll
3. If it's cold, I'll
4. If it's snowy,
5. If it's freezing, I'll ...
6. If it's windy, I'll ...

- **The weather affects what people do.**

John hasn't seen his friends for a very long time and he misses them a lot. He decided to pay them a visit today. However, it started to rain heavily outside. **What do you think he should do?**

■ Express Yourself

1. What is your favorite weather and why?
2. Do you like going to school when it's snowy?
3. Have you ever experienced a bad weather?
4. What winter activities do you like to do?
5. What do you do when it's very cold or very hot?
6. What do you like to eat when the weather is too hot?
7. Does the weather affect what you wear?

The End
