When Sarah Surfs the Net

When Sarah surfs the internet, she starts by checking her email.

She answers all her messages from friends in great detail.

She plays a game, or maybe two, and watches a cartoon.

Then she chats with kids in places like Rwanda and Rangoon.

She reads about her favorite bands. She buys an MP3.

She downloads movie trailers and she looks for stuff for free.

She reads about celebrities and dreams of wealth and fame.

Then she watches music videos and plays another game.

Match the things that Sarah does when she surfs the internet.
