Katie's favorite things

Hi! My name is Katie. I am 11 years old and I'm in 4th grade. I'm going to tell you about my favorite things. My favorite place is my bedroom. I have all the things I love in my bedroom. I love to come home from school and sit in my big, cozy chair. It is black with big, green leaves and white and yellow flowers. I also have a big, red, heart-shaped pillow. It is a wonderful chair to sit and read a good book in. My mom makes me a big pot of tea that I can drink in my bedroom. Behind my cozy chair I have a tall reading lamp. This is my most favorite place in the whole world!

Flowers are also my favorite things. I love flowers, but sunflowers are really nice. They are big and yellow. The birds outside my window love to eat sunflower seeds. As you can tell, I love to read books. I like all kinds of books too. I have a shelf with books about animals and dragons, Harry Potter, and fairies and monsters! I love fantasy books and history books too. One day I want to travel and see the whole world!
