## *My best vacation*

My best vacation was in July 2008. My husband took me camping in Banff, Canada. First, we bought food at a supermarket. We bought beef, ribs, fruit, juice, noodles and vegetables. I saw beautiful mountains and many trees on the way to Banff. The air was very fresh. We arrived in Banff in the afternoon. We went for a long walk in the mountains. We saw beautiful scenery. We were hungry at 6:00 p.m. So we cooked beef, ribs and noodles. The food was delicious. We were very happy. We slept in a tent. I felt very cold because our blanket was very thin. We got up at 9:00 a.m. and drove home. I will remember that camping trip forever.
