swing
further
stick
upper
introduce
relaxing

THE HISTORY OF GOLF

Golf has been played for hundreds of years but no one is sure who invented it. Most people believe it was started in Scotland in the 12th century. Back then, shepherds often became bored while watching their sheep. So they invented a game; they pushed stones into rabbit stones with sticks. Even the King of Scotland started playing it! In the 17th century, golf was introduced to other countries such as France, Germany and England.

Nowadays, there are golf courses all around the world. (a) And 56 million people enjoy playing it. (b) Firstly, golfers can enjoy natural beauty and fresh air. (c) Secondly, it is A . Generally, golf courses are pretty long, golfers need to walk a lot. The swing also makes a golfer's upper body strong.
